ABOUT THE ROLE

We are looking for someone to take the reins of the yoga business arm at Lab Studios from June 2025 until May 2026, as we prepare for its closure or potential sale. This is a unique opportunity to lead a well-loved brand through its final chapter or potentially into a new one.

You will manage all aspects of yoga operations: class scheduling, teacher performance, community communications, and strategic transitions. You'll play a key role in stabilising the business as yoga shifts to a single home at Lab Studios Joo Chiat.

JOB DETAILS

Full-time, 44 hours per week (shift-based, to be discussed)

Contract duration: June 2025 to May 2026

Location: In-studio, based at East Coast

COMPENSATION & BENEFITS

\$3,500 monthly base salary

Performance based percentage profit share

Standard MOM benefits

KEY RESPONSIBILITIES

- Manage the yoga class schedule and oversee studio operations
- Lead a team of 20 to 30 yoga instructors, including onboarding and offboarding
- Implement and manage feedback processes
- Coordinate the transition of yoga operations from multiple studios to East Coast, then to Joo Chiat
- Resolve teacher and client-related feedback and concerns
- Build community through campaigns and partnerships
- Manage transition plans and handover processes if the business is sold
- Plan and execute the final client communications and campaigns
- Report directly to the founder

SUCCESS CRITERIA

- Smooth, stable operations for yoga classes
- Strong communication and care for clients and instructors
- Clean handover if sold or graceful wind-down if not
- A clear, well-managed final campaign and closure process

WHO THIS IS FOR

- Has been teaching yoga for a while and wants to take the next step into managing and leading a team
- Finds energy in building community, supporting others, and holding space for both structure and change
- Wants to learn how to run a business unit from the inside, with direct access to the founder and real operational experience
- Is ready to take ownership of a business arm in its final chapter, with care, clarity, and confidence
- Is looking for a role that blends heart and systems, where people and process matter equally
